Share the fun with us

Yamaha's approach to our branded sports and leisure gear, toys and accessories, has always been the same. Before we allow anything to carry that name, it must prove itself every bit as well designed, tough and reliable as our world-beating powered products. So you can be sure the latest Yamaha line-ups of clothing and sports gear featured here have been very carefully chosen, to add a new dimension to your fun days out.

Each range is fully described in the following pages, so settle back and enjoy exploring the wide choice of water-sport items, from full suits, shorties and 'Long Johns' through to 4-buckle vests, Neoprene jackets, gloves and shoes. All fabulously comfortable to wear and designed to keep you warm, as well as looking great! On-shore lifestyle gear, including hoodies, T-shirts and caps, are to be found here too.

There's also an all-new range of skis and toys for adults and kids – now including even more towables in a choice of styles and shapes. For sheer fun they're hard to beat

Marine Waverunner wetsuits

When you are going boating or riding your WaveRunner you want to look good but also know that you have the perfect package to enjoy your experience, so you will make the most of your time on and off the water. That's why Yamaha developed warm, comfortable and practical clothing you'll love to wear. The wetsuits will feel like a second skin thanks to the minimal seam technology for maximum comfort and the full flex neoprene will allow you to move freely. Our 2018 WaveRunner collection is modern and offers all the neoprene gears you will need to have a great time.

Luggages

Our collection of Yamaha Racing Luggage is made of durable fabric, waterproof and easy to carry. There are two types of Yamaha Racing Gear Bags with different capacity which can be filled with all riding gear including a helmet and/or boots; clean and dirty wear can be stored separately in different compartments. The technical Backpack can carry all kinds of helmets in different ways. The Water Bag will keep you hydrated during a long-distance ride. The Packable Backpack is handy to use and can be folded into its own pocket.

YAMAHA INFLATABLE LIFEVEST 165N
Buoyancy: Rated 150 N, actual buoyancy 165 N (33 g CO² gas bottle). Ergonomic shape: Short on chest and cutaway sides. Rounded neck for superior comfort. Hardwearing and flexible outer shell with reflective piping. Visibility of inflated jacket: Yellow air chamber + 300 cm² retro-reflecting tapes. Backstrap: 40 mm polypropylene: ensures perfect body fit when lifevest is inflated. CE EN ISO 12402-3 12401

Part No. D16-INFLV-B4-00

YAMAHA ADULTS LIFEVEST 100N - ORANGE
Self-righting capacity. Head is supported above neck. Buoyancy provided by polyethylene foam. Outershell 100% polyester. Fluorescent orange for optimum visibility. 100cm2 retro-reflecting stripes.

Part No. D16-LVADT-B6 **XX**
SIZE: 0S-0M-0L-1L

YAMAHA KIDS LIFEVEST 100N - ORANGE
100 Newton category jacket. Self-righting capacity, keeps the child's head out of the water. Buoyancy: polythylen foam. Large roll-around collar with increased buoyancy providing added comfort and improved head support. Visibility: Bright orange colour and retro-reflecting tapes. Comfortable to wear: front floatation panel is split in 2 for increased comfort, adjustable crotch piece. Closure: adjustable waist belt with plastic clip, hem tightening drawstring, neck closing strap. Grab handle and loop in the back to attach a safety line.

Part No. D16-LVKID-B6 **XX**
SIZE: 0S-07-11-13

LIFEVEST RE-ARMING KIT
Your inflatable lifevest must be serviced and thoroughly inspected at regular intervals, to make sure it is fully operational. We advise you to check the cartridge if your lifevest has been stored in a damp atmosphere and, as a safety precaution, we recommend the replacement of the cartridge at the beginning of the season. This kit includes a CO2 gas cylinder (33g gas weight) and hydrostatic release mechanism and opener.

Part No. D16-INFLA-M1-33

YAMAHA BLUE TIE DOWNS - cam-lock buckle
Both include two 25mm x 1.80m straps rated for 540 kg.

TRAILER SUPPORT

The Yamaha Trailer Support stops your outboard motor moving excessively whilst your boat is being towed on a trailer. Quickly and easily installed over the port trim rod, this support prevents long term damage to both the boat and the engine. One Yamaha Trailer Support will provide adequate support for the F115A up to V6 series. V8 models will require two supports. Please note this product does not work with the F115B or F130A.

Part No. MAR-MTSPT-YM-10

FOLDING RE-BOARDING STEP

Provides a wide-step surface for ease of boarding, especially in deep water.

Part No. MWV-FSTEP-VX-11 (NEW 2015)
MWV-FSTEP-FX-06 (NEW 2015)
MWV-FSTEP-FZ-09 (NEW 2015)

FENDER

Engineered specifically for WaveRunners. Easy to hang wherever your craft needs protection.

Part No. MWV-WVRNR-HH-BL (BLEU)
MWV-WVRNR-HH-BK (BLACK)

STORAGE PACK

Need to bring along items that you do not want to move around in the storage compartment or get wet, such as keys, wallets, pagers or cell phones? This pack is your answer.

Part No. MWV-BOWPA-CK-00

PULL-UP CLEAT

This pop-up cleat can be easily retrofitted and stows flush to maintain the sleek lines of your WaveRunner. A simple and stylish way to tether your ride.

Part No. MWV-PUCLE-AT-07

FENDER SOCKS

These high specification fender socks have been produced in a UV and saltwater resistant material. The socks come in black with a white Yamaha logo.

Part No. YMM-09FS0-00-01

WAVERUNNER DOCK LINE

To easily dock your Waverunner get the New Yamaha dockline, made of floating multi-filament polypropylene, oil, gas, UV, mildew & salt water resistant. Black, 1cm diameter line.

Part No. MWVDLINE12BK 3.65m (12ft)
SBTDLINE15BK 4.55m (15ft)

COVER STORAGE BAG

Yamaha's handy storage bag gives you a place to store your WaveRunner cover neatly while not in use. Made of the same durable material as the Yamaha WaveRunner cover.

Part No. MWV-WVRNR-BG-01

WaveRunner Accessories

WAVERUNNER COVERS

These tough, durable covers are specifically designed to fit the sleek curves and powerful shape of your machine – so it looks good even when it’s not on the water. The highest quality water-resistant materials are used, so they shrug off the damaging elements and protect your cover against fading and rot.

Important note: During transport, the cover must always be secured with straps running under the watercraft, using the special reinforced eyelets on the cover sides.

Fuel filler access

Eyelet access

Ventilation system

Fuel filler access - The precisely placed zip opening allows easy access to the fuel filler cap without the need to remove the cover.

Eyelet access - The cover allows easy access to the eyelets at the front and stern of the craft for securing with dock lines – or when using tie-down straps for transportation.

Ventilation system - To reduce the risk of humidity formation, these covers have a special ventilation system to allow air to circulate freely around the machine when in storage. The design also helps create a partial vacuum under the cover when moving on a trailer during transport, drawing it more tightly against the hull and topside surfaces.
